Upside down
Upside down
Upside down

My grades are down from A's to D's
I'm way behind in history
I've lost myself in fantasies
Of you and me together

I don't know why I I but dreaming is all I do
I won't get by I I on mere imagination

Upside down
Bouncing off the ceiling
Inside out
Stranger to this feeling
Got no clue what I should do
I'll go crazy if I can't get next to you, to you

My teacher says to concentrate
So what his name was Peter the great
The kings and queens will have to wait
'Cos I don't have forever

I wish that I I I could walk right up to you
Each time I try I I the same old hesitation

Upside down
Bouncing off the ceiling
Inside out
Stranger to this feeling
Got no clue what I should do
I'll go crazy if I can't get next to you, to you

Somehow someday you will love me too
One day will be the day
When all my dreams come true

Upside down
Bouncing off the ceiling
Inside out

Stranger to this feeling
Got no clue what I should do
I'll go crazy if I can't get next to you

Upside down
Bouncing off the ceiling
Inside out
Stranger to this feeling
Got no clue what I should do
I'll go crazy if I can't get next to you

I'll go crazy if I can't get next to you
I'll go crazy if I can't get next to you
