"Cant Help Falling Love"

Do Do Do, I just cant help falling again!
Wise Man Say, "Only fools rush in" But i cant help
falling in love with you. Sha'll i stay,
would it be a sin? if i cant help falling in love with you.
Like a river flows to the sea, so it goes, somethings are
ment to be(somethings are ment to be). Take my hand,
take my whole life to,
for i cant help falling in love with you. Wise Man Say,
"Only fools rush in" But i cant i cant help falling in love
with you. Like a river flows to the sea, so it goes,
somethings are ment to be(somethings are ment to
be). Take my hand, take my whole life to,for i cant help
falling in love with you. Take my hand, take my whole
life to,for i cant help falling in love with you.for i cant
help falling in love with you. Like a river flows, thats the
way it goes, I just cant help falling in love again.
