Everybody's looking for a place to go
Sick of watching all these silly TV shows
An' Mama don't like you crankin' up the stereo
So, I say it's only right that we should let 'em know
Oh yeah

Can't stop the pop an' you can't knock the feelin'
We ain't never givin' up on what we believe in
Can't stop the pop but we can show you the meaning
'Cause it's about time you get some groovalistical
healing
Oh yeah, can't stop the pop

Papa says you better make it home by ten
But then at 10:15 you're sneaking out again
And there's a party at the club but they won't let us in
But I know dancin' in the street is perfect medicine
Oh yeah

Can't stop the pop an' you can't knock the feelin'
We ain't never givin' up on what we believe in
Can't stop the pop but we can show you the meaning
'Cause it's about time you get some groovalistical
healing
Oh yeah, can't stop the pop

Can't stop, can't stop the pop
(They)
Said we can't rock but we're keepin' it hot
(So)
Let the beat drop when we hit your block

Said you can't stop, so come on, so come on
On the rooftop, in the parking lot
Put your hands up, they can like it or not
It's a sure shot, give it all we got
'Cause we don't stop, won't stop

Can't stop the pop an' you can't knock the feelin'
We ain't never givin' up on what we believe in
Can't stop the pop but we can show you the meaning
'Cause it's about time you get some groovalistical

healing
Oh yeah, can't stop the pop
