Halfway around the world
Halfway around the world

Baby, I will soon be leaving
And I know that you are feeling down
But every week I'll send a letter
To let you know my love will never change
I promise you I'll always feel the same

So remember in your heart
Baby, when we are apart
There's no need for crying
'Cause even if I am

Halfway around the world
That won't stop me from loving you
Halfway around the world
I'll still be feeling the way I do
And now I wanna hold you baby
'Cause I'm gonna miss you like crazy
Even if I'm halfway around the world

Baby, when the miles are growing
You and I will still be going strong
No matter what your friends are saying
Don't give up on what you're waiting for
'Cause one day I'll be knocking on your door

So remember in your heart
Baby when we are apart
There's no need for crying
'Cause even if I am

Halfway around the world
That won't stop me from loving you
Halfway around the world
I'll still be feeling the way I do
And now I wanna hold you baby
'Cause I'm gonna miss you like crazy
Even if I'm halfway around the world

If I could, you know that I would find a way

To stay for good but I must go now
I wanna hold you baby
'Cause I'm gonna miss you like crazy even if I'm

Halfway around the world
That won't stop me from loving you
Halfway around the world
I'll still be feeling the way I do
And now I wanna hold you baby
'Cause I'm gonna miss you like crazy
Even if I'm halfway around the world

Halfway around the world
That won't stop me from loving you
Halfway around the world
I'll still be feeling the way I do
And now I wanna hold you baby
'Cause I'm gonna miss you like crazy
Even if I'm halfway around the world
