I see you walking down the street
I catch your eye before we meet
But you look down to check your feet
I wish I'd say "Are you okay?"
You're looking better everyday
But I just smile and walk away

Why did two lovers end up like strangers?
When did we stop see eye to eye?

Everyday you took my breath away
But now there's no reply, only hi, goodbye
Like a dream come true
When it was me and you
Now I just don't know why
We say hi and hi and goodbye

Hi and goodbye

I know it sounds like a cliché
But when I pass our old café
It almost feels like yesterday
We shared a blanket in the cold
To give a promise made of gold
We had a deal through heart and soul

Why did two lovers end up like strangers?
When did we stop see eye to eye?

Everyday you took my breath away
But now there's no reply, only hi, goodbye
Like a dream come true
When it was me and you
Now I just don't know why
We say hi and hi and goodbye

I remember the way
We always had words to say
And nothing could tear us apart
I knew you by heart, we were eye to eye
Now we're only hi and goodbye
Hi and goodbye

Everyday you took my breath away
But now there's no reply, only hi, goodbye
Like a dream come true
When it was me and you
Now I just don't know why
We say hi and hi and goodbye

Everyday you took my breath away
But now there's no reply, only hi, goodbye
Like a dream come true
When it was me and you
Now I just don't know why
We say hi and hi and goodbye

Hi and goodbye
Hi and goodbye
Hi and goodbye
Ooh, hi and goodbye
Goodbye
