I just cant help falling in love with you

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay
Would it be a sin
If I can't help falling in love with you

Like a river flows to the sea
So it goes
Some things are meant to be (some things are meant
to be)

Chorus:
Take my hand (take my hand), take my whole life too
(whole life too)
For I can't help falling in love with you

wise men say only fools rush in
but I, I can't, I can't help fallin' in love
(falling in love) with you (with you)

like a river flows to the sea
so it goes
some things are meant to be (some things are meant
to be)

Chorus x2
hhhhhhhhhhhhhhhaaaaaaaa
For I cant help falling in love with you

Bridge:
like a river flows, thats the way it goes
I just cant help falling in love with you (repeat x4)
