When the snowman brings the snow
Well, he just might like to know
He's put a great big smile
On somebody's face

If you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus in on the way

Well, I wish it could be Christmas, every day
When the kids start singing and the band begins to
play
Oh, I wish it could be Christmas, every day
Let the bells ring out for Christmas

When we're skating in the park
If the snow cloud makes it dark
Then your rosy cheek's gonna light my merry way

Now the frosty paws appear
And they've frozen up my ear
So we'll lie by the fire
'Til the sleet simply knocks 'em all away

Well I wish it could be Christmas, every day
When the kids start singing and the band begins to
play
Oh, I wish it could be Christmas, every day
So let the bells ring out for Christmas

When the snowman brings the snow
(When the snowman brings the snow)
Well, he just might like to know
(Well, he just might like to know)

He's put a great big smile on somebody's face
So if Santa brings that sleigh
(Santa brings that sleigh)
All along the Milky Way
(Along the Milky Way)
I'll sign my name on the rooftop in the snow

Then he may decide to stay

Well, I wish it could be Christmas, every day
When the kids start singing and the band begins to
play
Oh, oh, I wish it could be Christmas, every day
So let the bells ring out for Christmas

Okay you lot, take it

Well, I wish it could be Christmas, every day
(Christmas day)
When the kids start singing and the band begins to
play
(Oh, oh)
Oh, I wish it could be Christmas, every day
Let the bells ring out for Christmas

Why don't you give your love for Christmas?

When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
