Don't go wasting your emotion  
Lay all your love on me

I wasn't jealous before we met  
Now every woman I see is a potential threat  
And I'm possessive it isn't nice  
You've heard me saying that smoking was my only vice

But now it isn't true, now everything is new  
And all I've learned has overturned, I beg of you

Don't go wasting your emotion  
Lay all your love on me

It was like shooting a sitting duck  
A little small talk a smile and baby I was stuck  
I still don't know what you've done with me  
A grown up woman should never fall so easily

I feel a kind of fear when I don't have you near  
Unsatisfied I skip my pride, I beg you dear

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion  
Lay all your love on me

Don't go wasting your emotion  
Lay all your love on me  
Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion  
Lay all your love on me

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion  
Lay all your love on me
