here we go
go
go
go

I've been cheated by you
since i dont know when
So i've made up my mind it must come to an end

look at me now
will I ever learn
I dont know how
But I finally lose control
thats the fire within my soul

Just one look and i can hear a bell ring
one more look and i forget everything

oh oh oh

Mama Mia - Chorus 1-
here i go again
my my
how can i resist you
mama mia
does it show again
my my
just how much i missed you

yes i've
been broken hearted
blue since the day we parted
why why

did i ever let you go
mama mia
now i really know
my my
i could never let you go

i've been figurin' this out... bout the things that you do
I cant count all the times

thats i've told you were through

and when you go
when you slam the door
i think you know that you wont be away too long
you know that im not that strong
just one look and i can hear a bell ring
one more look and i forget everything
oh oh

Chorus 1

yes ive been broken hearted
blue since the day we parted
why why
did i ever let you go
mama mia
now i really know
my my
i could never let you go

go - X 16

yes ive been broken hearted
blue since the day we parted
