I've been cheated by you since i don't know when  
So i made up my mind, it must come to an end  
Look at me now, will i ever learn?  
I don't know how but i suddenly lose control  
There's a fire within my soul  
Just one look and i can hear a bell ring  
One more look and i forget everything, w-o-o-o-oh

(chorus)

Mamma mia, here i go again  
My my, how can i resist you?  
Mamma mia, does it show again?  
My my, just how much i've missed you  
Yes, i've been brokenhearted  
Blue since the day we parted  
Why, why did i ever let you go?  
Mamma mia, now i really know,  
My my, i could never let you go.

I've been angry and sad about things that you do  
I can't count all the times that i've told you we're  
through  
And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that i'm not that strong.  
Just one look and i can hear a bell ring  
One more look and i forget everything, w-o-o-o-oh
