I've been cheated by you since I don't know when  
Though I made up my mind it must come to an end  
Look at me now will I ever learn  
I don't know how but I suddenly lose control  
Well there's a fire within my soul

Just one look and I can hear a bell ring  
One more look and I forget everything, oh

Mamma Mia here I go again  
My, my how can I resist you?  
Mamma Mia does it show again  
My, my just how much I've missed you

Yes I've been brokenhearted  
Blue since the day we parted  
Why? Why? Did I ever let you go?  
Mamma Mia now I really know  
My, my I could never let you go

I've been angry and sad about things that you do  
I can't count all the times that I've told you we're  
through  
And when you go when you slam the door, I think you  
know

That you won't be away too long, you know that I'm not  
that strong

Just one look and I can hear a bell ring  
One more look and I forget everything, oh

Mamma Mia here I go again  
My my how can I resist you?  
Mamma Mia does it show again  
My, my just how much I've missed you

Yes I've been brokenhearted  
Blue since the day we parted  
Why? Why? did I ever let you go?  
Mamma Mia now I really know  
My my I could never let you go

Mamma Mia here I go again  
My my how can I resist you?  
Mamma Mia does it show again  
My, my just how much I've missed you

Yes I've been brokenhearted  
Blue since the day we parted  
Why? Why? Did I ever let you go?  
Mamma Mia now I really know  
My, my I could never let you go  
Mamma Mia, Mamma Mia, Mamma Mia
