Bangkok!

Oriental setting

And the city don't know what the city is getting

The crÃ©me de la crÃ©me of the chess world in a

Show with everything but Yul Brynner

Time flies doesn't seem a minute

Since the Tyrolean spa has the chess boys in it

All change don't you know that when you

Play at this level there's no ordinary venue

It's Iceland or the Philippines or Hastings or this place

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

And if you're lucky then the god's a she

I can feel an angel sliding up to me

One town is very like another

When you head's down over your pieces brother

Tea girls warm and sweet (warm sweet)

Some are set up in the Somerset Maugham suite

Get Thai'd you're talking to a tourist

Whose every move's among the purest

I get my kicks above the waistline sunshine

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

Siam's gotta be the witness

To the ultimate test of cerebral fitness

This grips me more than would a

Muddy old river or reclining Buddha

And thank god I'm only watching the game

Controlling it

I don't see you guys rating  
The kind of mate I'm contemplating  
I'd let you watch I would invite you  
But the queens we use would not excite you

So you'd better go back to your bars  
your temples  
your massage parlours

One night in Bangkok and the world's your oyster  
The bars are temples but the pearls ain't free  
You'll find a god in every golden cloister  
A little flesh a little history  
I can feel an angel sliding up to me

One night in Bangkok makes a hard man humble  
Not much between despair and ecstasy  
One night in Bangkok and the tough guys tumble  
Can't be too careful with your company  
I can feel a devil walking next to me
