Up...Sidedown...  
Upsidedown, Upsidedown

My grades are down, from a's to d's  
I'm way behind in history  
I've lost myself in fantasies  
of you and me together

I don't know why-iy-iy but dreamin's all I do  
I won't get by-iy-iy on near imaginations

Upsidedown, boucing off the ceiling  
Insideout, stranger to this feeling  
Got no clue, what I should do  
oh i'll go crazy if i can't get next to you

My G, she says to concentrate  
so what is that, I can't be that great  
kings and queens will have to wait  
cuz i don't have forever  
I wish that I-iy-iy could walk right up to you  
each time I try-iy-iy the same old hesitation

Upsidedown, boucing off the ceiling  
Insideout, stranger to this feeling  
Got no clue, what I should do  
oh i'll go crazy if i can't get next to you  
to you

Somehow, some way, you will love me too  
one day will be the day when all my dreams come to

hahahahahahah

Upsidedown yeah yeah yeah yeah

Upsidedown, boucing off the ceiling  
Insideout, stranger to this feeling  
Got no clue, what I should do  
oh i'll go crazy if i can't get next to you

Upsidedown, bouncing off the ceiling  
Insideout, stranger to this feeling  
Got no clue, what I should do  
oh i'll go crazy if i can't get next to  
and i'll go crazy if i can't get next to  
andi'll go crazy if i can't get next to  
YOU!
