Upside down
Upside down
Upside down

My grades are down from A's to D's
I'm way behind in history
I've lost myself in fantasies
Of you and me together
I don't know why but dreaming's all I do
I won't get by on mere imagination

Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can't get next to you, to you

My teacher says to concentrate
So what? His name was Peter the Great
Kings and Queens will have to wait
'Cuz I don't have forever
I wish that I could walk right up to you
Each time I try the same old hesitation

Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can't get next to you, to you

Somehow, someday
You will love me too
One day will be the day
When all my dreams come true
Upside down, yeah, yeah, yeah

Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can't get next to you

Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do

I go crazy, if I can't get next to you

I go crazy, if I can't get next to

I go crazy, if I can't get next to

I go crazy, if I can't get next to you
