\*You and me me and you When we'll be together Me and you you and me I don't know

Ohu wahu way (x4)

My heart is missing you my baby Why can't we playin' both to one Try keeping true emotions I feel so sad since you've been gone

I am ready for emotion
I am ready for this time
We belong together baby
We want to take this time

\*Repeat

Ohu wahu way (x4)

I don't know where you've been my lover Please tell me what you want Pure love good vibrations I give the best to turn you on

I am ready for emotion
I am ready for this time
We belong together baby
We want to take this time

\*Repeat

When we'll be together When we'll be together

\*Repeat (x2)
