Try to believe
Life is a game
Fire below and a heaven above
Is it all too easy to be real?

Ashes to burn
Time to forget
Places to go and faces to see
Numbers to count, letters to read

From A to Z
I reach the end
I can't go further
When a man is lost in?

From A to Z
I did my best
I did my worst
? in my mind
Being someone
Funny how it?

Ashes to burn
Time to forget
Places to go and faces to see
Numbers to count, letters to read

From A to Z
I reach the end
I can't go further
When a man has told his lies?

From A to Z
I reach the end
I can't go further
When a man fulfils his dreams

From A to Z
Voices? silence are calling my name
Faces of people that I used to know
I can't resist, I have to go
Show me the light, the final? begins

From A to Z
From A to Z
