Verse 1:

I asked you the way to your heart  
And you told me I was always there  
It's nice to know you care  
It brought tears to my eyes  
When I realized  
How much You love me  
I've never truly loved someone before  
Until You I was never sure  
It was love  
You understand me in a way  
That not many people do  
I love you  
You saw through the disguise  
You saw the tears in my eyes  
That I could not cry  
And didn't even want to try

Chorus:

So when anyone asks me  
Who the Love of my life is  
I tell them you  
I knew you were the one  
I'd love for the rest of my life  
You are the love of my life

Verse 2:

What can I say  
About the love that changed my life  
Other than I love you  
I've never met anyone like you  
That sees life the way you do  
The love you've given me  
For eternity  
Saved me

Repeat chorus

Bridge:

I don't deserve such a love  
But I thank God above  
That he sent you

The love of my, the love of my life  
The love of my, the love of my life
