I gotta wake up like yesterday  
My questions never leave me  
The more I look for  
The less I have  
What happened in my lifetime  
Many reasons to talk about that  
It's hard to say goodbye  
Takin' pictures but I don't know why  
I'll keep'em in my mind  
Make me smile through your eyes  
Don't let my heart forget you  
I am feeling still alone  
No matter what I'm looking for  
'Cause today I'm finishin' to wonder why  
You're not here with me  
I gotta wake up like yesterday  
My questions never leave me  
The more I look for  
The less I have  
What happened in my lifetime  
When the sun is becoming so far  
The shining love won't rise  
Let me feel like I never felt  
'Cause I'm somebody else  
Lately I've been losing my fire  
I have lost what I cared for  
Now I suffer to know what I've broken  
Taken by a trouble  
I feel sick
