Before you go away
To the one you do belong
So glad we met and you stayed
Though it wasn't very long
Was it only just a dream
It's over now it seems
If there were no goodbyes
Would you stay that you still care
I won't believe my eyes
When I see you won't be there
'Cause this love so hard to find
Now you're leavin' me behind
Oh please

CHORUS:

Show me and tell me
How do you put this love aside
(And) Put it away for another time
With no guarantee that you'll be mine
A fool I am it seems
'Cause I'll been lovin' you in my dreams
Until I wake up and I find out
That time ain't our friend
I'll just stay a fool till the end

(Till the end, I'll be a fool)
(Till I find it's me and you)
If it only was game
Why'd you have to fool my heart
Oh girl ain't it a shame
That we promised from the start
That our love was here to stay
For each and everyday
If I had only known
And if I didn't have to care
Then being all alone
It wouldn't be so hard to bear
This love so hard to find
That we're leavin' here behind
Oh please

Repeat chorus

I maybe over acting
I know I must stay strong
But you pulled the string too hard
And now we're going on our own

Repeat chorus

Till the end
You know I just stay a fool
