It's not the laughter
It's not just the fun
You've always touched my heart
I know you're the one
You're nothing less than a perfect friend to me

Good friends we'll always be
No matter where life leads us
We'll always have each other
'Cause you're the right one
The right one for me
(No matter where life leads us
We'll always have each other)
'Cause you're the right one
The right one for me
(It's not the laughter
It's not j
