It took one look
And forever laid out in front of me
One smile and I died
Only to be revived by you

There I was
Thought I had everything figured out
Goes to show just how much I know
'Bout the way life plays out...

Chorus:
I take one step away
Then I find myself coming back to you
My one and only, one and only you... ooh...

Now I know
That I know not a thing at all
Except the fact that I am yours
And that you are mine

Ooh
They told me that this wouldn't be easy
And no
I'm not one to complain...

ChorusX2:
I take one step away
When I find myself coming back to you
My one and only, one and only you... ooh...
