Is it impossible to dream
In a world so filled with pain
It leaves you bursting at the seams
Scraping rot from inside your brain

It's not impossible
It's not impossible
(Ohh)

G-G-G-
Get me to the Freak House
(Its taking over me)
Get me to the Freak House
(Don't want a remedy)
Get me to the Freak House
(A shocking masterpiece)
And I can feel it in my bones
The place I call home
[Repeat]

(Home home home home home home home home
home)

Is it impossible to believe
When were crawling at decay
And the sordid air we breathe
Becomes the twisted price we pay

It's not impossible
It's not impossible
(Ohh ohh)

G-G-G-
Get me to the Freak House
(Its taking over me)
Get me to the Freak House
(Don't want a remedy)
Get me to the Freak House
(A shocking masterpiece)
And I can feel it in my bones
The place I call home
[Repeat]

G-G-G-Get me to the
G-G-G-Get me to the
I can feel it in my bones, feel it in my bones
G-G-G-Get me to my
G-G-G-Get me to my
Freak House
I can feel it in my bones
The place that I cal home

Yeah

G-G-G-
Get me to the Freak House
(Its taking over me)
Get me to the Freak House
(Don't want a remedy)
Get me to the Freak House
(A shocking masterpiece)
And I can feel it in my bones
The place I call home
[Repeat]
