Please just say the words
I wanna hear, don't she'd a tear
Just sit and wait
Tell me you'll wait, cause I want you here
I need you here

But I just need some time, some time alone
Speak at the tone, cause I, I won't be here
So wait my dear, please wait my dear

Thanks for all you've done, for there is none
That I can do, to pay you back
These days are black, and nights are blue
While there's no you

Cause I just need some time, some time alone
Speak at the tone, cause I, I won't be here
So wait my dear, please wait my dear

Please just say the words
I wanna hear, don't she'd a tear
Just sit and wait
Tell me you'll wait, cause I want you here
I need you here

But I just need some time, some time alone
Speak at the tone, cause I, I won't be here
So wait my dear, please wait my dear

Ooohohohoh
