You are strong, strong as a soldier,
Even when things are tough, you always keep it
together.

You are strong, strong as a sold-ier,
I know you'll get though anything-g-g,
'Cause you're strong, strong, strong as a soldier.

Yo, yo, see every time I see the look in your eyes,
I can feel the sun come down for the sky.
It's like, heaven came down to this world for one day,
And I'm glad, god has sent you my way.

Yo, yo, yo, No never doubt that I'll be there no matter,
I'll always make you happy, I don't care 'bout the
weather girl,
And mass respect is what I have for your strength,
I look up to you don't ever forget.

So don't you worry 'bout the obstacles, to your
happiness,
If you let them get to you, you'll end up just like the
rest,
I know your better then those people who get in the
way, just remember what I always say
You are,

Strong, strong as a soldier,
Even when things are tough, you always keep it
together.
You are strong, strong as a sold-ier,
I know you'll get though anything-g-g,
'Cause you're strong, strong, strong as a soldier.

Yo, when you feeling like something is scary,
I'll be there on the double, I'll arrive in a hurry girl,
I'd walk for miles just to get where you are, you should
know that it don't how far.

(So, so) So, please don't ever think that I have no time
for you, remember that I'm taking my timeout just to
ride for you,

And if you don't believe me when I say, I'll listen to you
everyday.

So don't you worry 'bout the obstacles, to your
happiness,
If you let them get to you, you'll end up just like the
rest,
I know your better then those people who get in the
way, just remember what I always say
(Yo) You are,

Strong, strong as a soldier,
Even when things are tough, you always keep it
together.
You are strong, strong as a sold-ier,
I know you'll get though anything-g-g,
'Cause you're strong, strong, strong as a soldier.

So when I know things are uh-oh,
I'll help you out cause you know that it's fo-sho,
And every time you feel a kinda so-so,
Just know after the rain there is a rainbow.

(So) So when I know things are uh-oh,
I'll help you out cause you know that it's fo-sho,
And every time you feel a kinda so-so,
Just know after the rain there is a rainbow.

So don't you worry 'bout the obstacles, to your
happiness,
If you let them get to you, you'll end up just like the
rest,
I know your better then those people who get in the
way, just remember what I always say

Strong, strong as a soldier,
Even when things are tough, you always keep it
together.
You are strong, strong as a sold-ier,
I know you'll get though anything-g-g,
'Cause you're strong, strong, strong as a soldier.

I never knew anybody like you, I'm happy that you
walked in my door and is it true?
That when I got something I have to say, you'll always
listen to me every second of the day,
And when you gotta go do, what you gotta do,
I'll understand because I know I'll always have you,
And when the waves are crashing down on your parade
remember what I always say

So don't you worry 'bout the obstacles, to your
happiness,
If you let them get to you, you'll end up just like the
rest,
I know your better then those people who get in the
way, just remember what I always say, (yo)

Strong, strong as a soldier,
Even when things are tough, you always keep it
together.
You are strong, strong as a sold-ier,
I know you'll get though anything-g-g,
'Cause you're strong, strong, strong as a soldier.
