Ok lets go  
2 face motherfucker  
Pure drama  
When they see you on the streets  
Drama  
This is Smiley Face  
When you turn around  
The motherfuckers be talkin shit  
What the fuck is that!

(2x)  
Pure drama, pure drama, pure drama  
Pure drama, marijuanos got nothing but drama

[Pony Boy]  
You wanna talk shit nigga  
2-face nigga  
Comin like that get yo ass shot nigga  
I got high with you drank beer with you  
Why you wanna flip cuz you know I'm gonna get you  
You fake like plastic  
Damage so drastic  
Tryin to pull a rule over the eyes of an aztec  
You must have guts (aah)  
Or should I say nuts  
Leave you torn up and fuckin bruises and cuts  
Professional when it comes to the beat down  
Need a heat clown  
Knock you out the 1st round  
Like Alex Lewis, know I can do this  
I'm messin with you  
Cuz I see that your clueless  
Taking care of business everyday  
Sellin hay cuz I gots to get pay  
My protection my trust y filero  
All year round past gets me through the ghetto

Atodos los que quieran pero menos a la chota
