Lyrics: Tomas

From cold storms I emerge to inferno
Kiss me with your insanity, bless me with your plague
Burn through my head
The psychic treasures in the arena to find
Dead symbols that walk through the dreams of man
Non-divine, burning souls of red
Tongues of insanity, here I am
Lick me free from my dark past
and open my heart for your joy
I seek eternity where it lies to be found
My life will not end 6 feet under the ground
No rebirth in heaven where eternal sleep awaits
We must seek our immortality beyond the seven gates
Make love with me this one last time
This one dead dream
And rot we can as gods
Together in a distant hell
Burn me with the tongues of your love
Burn me free from my bitterness and hate
So let the light devour men
And eat them up with blindness
Non-divine, a restless soul
Worm, goat, eater of gods
[The psychic treasures in the arena to find
Dead symbols that walk through the dreams of man
Non-divine, burning souls of red]
Burn me with the tongues of your love
Burn me free from my hate
[Burn me with the tongues of your love
Burn me free from my hate
Set me on fire
Set me on fire]
Set me on fire
Again and again
[I seek eternity where it lies to be found
My life will not end 6 feet under the ground
No rebirth in heaven where eternal sleep awaits
We must seek our immortality beyond the seven gates
Non-divine, a restless soul
Worm, goat, eater of gods

The psychic treasures in the arena to find
Dead symbols that walk through the dreams of man
Non-divine, burning souls of red]
