

At The Gates "Suicide Nation"

Utopia lost in chaos
As the sky turns black
Suicidal legacy
There is no turning back, no turning back

Retribution answers cold
Moving in for the kill
Deep hideous festering
Bestial epidemic, repulsive need

Control, control

Suicide nation
Mass-appeal, death-addiction
Dead but dreaming
Restrained by phobia, brainwashed into submission

Control, control

Suicide, suicide
Suicide, suicide
Jaws locked around your spine
Locked around your spine

Retribution answers cold
Moving in for the kill
Deep hideous festering
Bestial epidemic, repulsive need

Control, control

Suicide, suicide
Suicide, suicide
Jaws locked around your spine
