My veins they are open

And yours to fill

The beast of my sins

Ain't easy to kill

Drowning in love, by bitterness warped

We sleep in different nights ugly and

Drugged, rotten to the core but I

Just can't let this die

My intellect bund

My will amputated

It's a sweet little need

Your need to be hated

Ugly, drugged and fevered

By Bitterness warped

Your beauty rages through my veins

Declaring war

Drowning in love, by bitterness warped

Stab your darkness into me

Ugly and drugged, rotten to the core

I see a truth you cannot see

As smooth as the skin

The skin of fire

I'm at the mercy of urges

You're my funeral dyre
