

## At The Gates "The Dying"

Reality – she feeds off me  
Steal my eyes so that I can't see  
Blinding me for all eternity

Distorted dreams of our reality  
Building walls around our lives  
While we're staring, with eyes that deceive  
As the eagle dives again

As daylight is torn  
Our sins are reborn  
Sweet nihilistic angel of war

Distorted dreams of our reality  
Crucified, refusing to die  
We are staring blind into a void of lies  
As the eagle dives again

As daylight is torn  
Our sins are reborn  
Sweet nihilistic angel of war

Dying reality  
Stereotyped insanity  
Sweet nihilistic angel of war

Reality – she feeds off me  
Steal my eyes so that I can't see  
Blinding me for all eternity

As daylight is torn  
Our sins are reborn  
Sweet nihilistic angel of war

Dying reality  
Stereotyped insanity  
Sweet nihilistic angel of war

Together with the vermin of deception  
Extinction lives and breathes in us  
Degeneration – extinction lives and breathes in us  
Degeneration
