Music: Alf/Anders/AT THE GATES

Lyrics: Tomas

Eternal flames won't cleanse my soul

Racing through me, burning me

Unpure I'll shine forever

Wild darkness boil in veins so tired

Through the red

With the fires of dawn burning in my eyes [, burning
me

And burn,] Through the red

{Burning me}

All faces turn black

I refuse to breathe

Cleanse me

[Racing through me, burning me

Unpure I'll shine forever

Wild darkness boil in veins so tired

Through the red

With the fires of dawn burning in my eyes, burning me]
