(by Luther Vandross)

I can't fool myself, I don't want nobody else to ever love me

You are my shinin' star, my guiding light, my love fantasy

There's not a minute, hour, day or night that I don't love you

You're at the top of my list 'cause I'm always thinkin' of you

I still remember in the days when I scared to touch you
How I spent my day dreamin' plannin' how to say I love you

You must have known that I had feelings deep enough to swim in

That's when you opened up your heart and you told me to come in

Oh, my love

A thousand kisses from you is never too much
I just don't wanna stop

Oh, my love

A million days in your arms is never too much
I just don't wanna stop

Too much, never too much, never too much, never too much

Woke up today, looked at your picture just to get me started

I called you up, but you weren't there and I was broken hearted

Hung up the phone, can't be too late, the boss is so demandin'

Opened the door up and to my surprise there you were standin'

Well, who needs to go to work to hustle for another dollar

I'd rather be with you 'cause you make my heart
scream and holler
Love is a gamble and I'm so glad that I'm winnin'
We've come a long way and yet this is only the
beginnin'

Oh, my love
A thousand kisses from you is never too much
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
(Never too much, never too much, never too much)
And I just don't wanna stop

Oh, my love
A thousand kisses from you is never
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
