Oh my Leader
I will follow you to the ends of the Earth
Oh my Savior
We are happy to see that we have rebirth
And it's changing my mind , my body, my direction
I know that you're gonna come
Holy Jesus
In You we cleansed by the Blood of the Lamb
Oh forever,
In the Kingdom we'll walk with You hand in hand
And it's changing my mind , my body, my direction
I know that you're gonna come

I will be ready
I will be watching
I will be waiting to fly with You

Holy Jesus
In You we cleansed by the Blood of the Lamb
Oh forever,
In the Kingdom we'll walk with You hand in hand
And it's changing my mind , my body, my direction

I know that you're gonna come

I will be ready
I will be watching
I will be waiting to fly with You

Oh my Leader
I will follow you to the ends of the Earth
Oh my Savior
We are happy to see that we have rebirth
And it's changing my mind , my body, my direction
I know that you're gonna come
Holy Jesus
In You we cleansed by the Blood of the Lamb
Oh forever,
In the Kingdom we'll walk with You hand in hand
And it's changing my mind , my body, my direction
I know that you're gonna come

How I love You Lord
I fly on Eagles wings
You turn my heart around
And set my mind on higher things.
