stay with me just for the day and
let your soul come and rest for a minute now
share your mind, if you have some time
i would love to sit and talk to you.

i would wait, if you asked me to,
but i, wont stay here forever now
i know your heart could keep me warm
just let me stay

[chorus]
i feel that
your eyes aren't always open
and these dreams, my
heart i cant deceive them
maybe the moon
will come down and save me
maybe your eyes
will stop me from falling

oh i'm drowning yea
oh i'm drowning yea
oh i'm drowning yea
oh i'm drowning yea
[chorus]

what can i say, what can i do
is there anyway to get close to you

i put myself into your shoes
and walk around these streets of yours
its cold outside, will you stay
but my heart is not far away

so take a breath and close your eyes
i want to hold you

[chorus]
i feel that
your eyes aren't always open
and these dreams, my heart
I cant deceive them

maybe the moon
will come down and save me
maybe your eyes
will stop me from falling

oh i'm drowning yea (you know that i can't lift my head)
oh i'm drowning yea
oh i'm drowning yea
oh i'm drowning yea (& i can't catch my breath
[chorus]

oh i'm drowning
i'm falling
i'm drowning
