I remember the night
sitting in the dark
the battle was won
but lost my love

I left the light side
chosen the dark
sworn another solemn
at fullmoon bark

walking through the centuries
a pathless path
symphonic bloodlust
on this funeral march

my innerself
is drifting in a red sea
bizarre and sweet
.b.l.u.t.!!!

b.l.u.t. - you are my beauty

bloodlust, undead trance
bloodlust, undead trance

"stapn de obscuritate,
fantoma nocturna
dragostea nseamna viata vesnica,
care o obtinem numai prin moarte"

awaiting the next vein
haemophilia
possessed by essential desire
damned and addicted to survive
this form of life

Im searching for her
the love I lost
Im searching for her
taking away the frost

but too many years are gone
my mind like ice
b.l.u.t..
.you are my beauty

b.l.u.t. - you are my beauty

bloodlust, undead trance
bloodlust, undead trance
