Eve-Eve Merry Christmas
Kokoro kara
Omoi wo anata ni tsutaetai
Eve-Eve Merry Christmas
Ki ga tsuite
Namida ga yuki ni kawaru yoru Loving you!

Eve-Eve Merry Christmas
From my heart
I want to tell you my thoughts
Eve-Eve Merry Christmas
I realize it
The night my tears become the snow, lovin' you!

KOKESou na ashimoto de isogu
Senro goshi no hodoukyou
Kasa sasu to misugoshisou
Taisetsu na issun

Hurrying along with coquettish footsteps
Along the bridge over the highway
Opening up your umbrella, it seems like you've let
An important moment slip by

Anata ni totte watashi wa mada
Namae mo koe mo shiranai
Machikado no kogoeteru
EKISUTORA no hitori

To you I still am
An unfamiliar voice and name
Freezing by the windowsill,
I'm just an extra single person

Nando mo naoshita kami ga nureteku
Yume no naka de wa mou KENKA mo shita ne
Daisuki na no ni

No matter how many times I fixed it,
My hair still got wet.
Even in my dreams we were fighting.
I still love you though.

Eve-Eve Merry Christmas
Kokoro kara
Omoi wo anata ni tsutaetai
Eve-Eve Merry Christmas
Isoganakya
Sukoshi no yuuki wo kudasai Loving you!

Eve-Eve Merry Christmas
From my heart
I want to tell you my thoughts
Eve-Eve Merry Christmas
I have to hurry
Please give me a little bit of courage, lovin' you!

Mainichi surechigatteru koto
Anata wa kizuiteru kana
Moshi dare ga suki na hito
Itara doushiyou

Everyday there were things we disagreed on
I wonder if you've kept them in mind
If you told me that you loved somebody else
I don't know what I would do

Yokogao ya kamigata no niteru
Otoko no ko mo iru no ni ne
Anata ni shika kanjinai
Mune no DOKIDOKI wo

There are other guys who have a similar
Hairstyle and profile to yours,
But they don't make my heart pound
The way you do

Hanashi wo shitakute ippo chikazuku
Shisen ga butsukaru to
Kaneshibari mitai
Nakisou ni naru

Wanting to talk, I take a step closer
Our glances collide
I feel like I'm paralysed
I start to feel like crying

Eve-Eve Merry Christmas
Kono mama ja
Setsunasa ga bakuhatsu shichaisou
Eve-Eve Merry Christmas
Ki ga tsuite
Namida ga yuki ni kawaru yoru Loving You!

Eve-Eve Merry Christmas
If things stay this way
It feels like my pain will explode
Eve-Eve Merry Christmas
I realize it
The night my tears become the snow, lovin' you!

Eve-Eve Merry Christmas
Kokoro kara
Omoi wo anata ni tsutaetai
Eve-Eve Merry Christmas
Ki ga tsuite
Namida ga yuki ni kawaru yoru Loving you!

Eve-Eve Merry Christmas
From my heart
I want to tell you my thoughts
Eve-Eve Merry Christmas
I realize it
The night my tears become the snow, lovin' you!
