Temaneki wo shiteiru machi wa ima
Inochi wo ataerarete
Marude yami no meiro ichido fumikomeba
Mou nukedasenai
Kannouteki na kao wo kakushi
Yokubou wa ikiteru tame
"yume" to iu kamen wo tsukete kokoro ubau

This city which is beckoning is giving me life
Once you step fully into the maze of darkness once
You can no longer come out
Hiding my sensual face
So that my desire can stay alive
I'll snatch away your heart
Putting on the mask called dream

Shakin' love
Ayashii jidai ni jounetsu wo kakimidase
Akaku somatta KARADA wo kitsuku dakishimete
Nando demo nando demo hateru toki made

Shakin' Love
We can disarrange love in this suspicious era
Holding tightly your red-colored body
As many and many times, until the day it dies

Onaji fuku wo kiteru
Yoku dekita oningyou mo anzen dakedo
X ka O ka
Chotto dake doku no aru KYARA demo ii
Itsumo itsumo kangaeteta
Kono machi ni nomikomarenai youni
Kodoku ni makenai youni ikite

The doll that improved
Dressing the same clothes is safe
But is it X or O?
It's OK if it's got only some poison
I've thought for a long time
As I can't be swallowed up by this city,
I'll live in such a way that I won't lose to loneliness

Give me love
Ayashii jidai no aijou wa ATORAKUSHON?
PAPA to MAMA ga uetsuketa
"hontou no kachikan" nante mono wa
Kihaku de ate ni narenai

Give me love
Is love an attraction for this suspicious era?
Such true set of values that
Papa and mama have implanted in me
Are sparsely trustworthy

Nani wo shinjireba ii no ka
Sonna koto dou datte ii
Tada kono mune moteamasu
Junjou ga itai

What shall I believe in?
Whatever it is it doesn't matter
My heart is just hard to manage
My naivety is painful

Shakin' love
Ayashii jidai wa jounetsu wo kakimidasu
Akaku somatta KOKORO de kitsuku dakishimetai
Nando demo nando demo hateru toki made

Shakin' love
I'll disarrange my passion in this suspicious era
I want to hold it very tightly with my red-dyed heart
As many and many times, until the day it dies
