You don't get dressed up for me no more
Don't do your make up for me no more
Don't clean a place up for me no more
We sleep and wake up make love no more
No late night movies with me no more
Play fight and jaccuzis with me no more
Don't shake your booty for me no more
Look what you done to me can't speak no more

Chorus

Yeah Girl..
I just wanna be a better man
I far from an angel or reverend
streets tryna make a brother sell again
But i just wanna hold hands with you again

[Why?? Why???
Would you think I don't love you no more.. no more.. x2]

No dirty dancin' twin us no more
And no romancing twin us no more
There's no affection twin us no more
There's no direction where do i go
They wanna see us let go
But i'm sure you know
That i'll never walk out that door
And i'm sure you know
That i would be there to fight for you
And will look out for you even though you were let'n go
You will always be my only no i'll never leave you
lonely..
You're friend.. You're my homie
Comin' Home'y

Chorus

I just wanna be a better man
I far from an angel or reverend
streets tryna make a brother sell again
But i just wanna hold hands with you again

[Why?? Why???would
you think I don't love you no more.. no more.. x2]

Wanna let you know that i'm like your shadow
And no matter where you go my heart will follow
Even though you seen alot, heard alot
One things for show's we all we got hope to ease the
pain by telling you just one thang
That i'll always love you

Chorus

I just wanna be a better man
streets tryna make a brother sell again
But i just wanna hold hands with you again

[Why?? Why???
Would you think I don't love you no more.. no more.. x2]

Ohhh.... Yeahhh

Love you no more
