Mmm, yeah

Red one convict  
Yeah

Am I dreaming?

I'm not like all those other guys  
Have you believing  
It's too good to be true  
And they come smothered in lies  
Oh so deceiving  
Leaving you black and blue  
See I'm show you  
And get to know you  
So girl,  
Let me do what I do  
And get it fooi?  
A hundred fooi?  
And make sure you  
Feeling brand new

I know you never had a brother  
Like me that was on another level  
Squeezing you like you like it  
Never hold back and never settle  
Have your body trembling  
Got you burning up like a kettle  
Before you know it  
We'll be sleeping  
And dreaming this forever  
Can you feel it  
I kiss you so  
You know it's real  
I can see it  
That beautiful body

And that sex appeal  
(am I dreaming)  
I know you wonder  
If this real  
Never go back to the  
Thing that use  
To give you something  
You can feel

And when we kissed under the moon  
Am I dreaming...  
He showed me things I never knew  
Am I dreaming...  
He know exactly what to do  
[x2] am I dreaming...  
Am I...  
[x2] am I... dreeeeaming  
(akon  
Oeh, girl you're not dreaming)  
(akon;  
I can show you baby  
That you're not dreaming)

Yea, yea, yea, yea, yea, yea, yea

Got my heart up in this dance  
What a beautiful man  
That batchata as we rock on the set  
Put his hand over my hips  
Started looking at his lips  
I'm the luckiest girl in the land  
And I can't believe the way you  
Got me feeling right

I don't wanna leave this place  
Stay right by my side  
But in my head I never thought  
I could fall in love with you...

And when we kissed under the moon  
Am I dreaming...  
He showed me things I never knew  
Am I dreaming...  
He know exactly what to do  
[x2] am I dreaming...  
Am I...  
[x2] am I... dreeeeaming  
(akon;  
Oeh, girl you're not dreaming)  
(akon;  
I can show you baby

That you're not dreaming)

Baby wish

We never left the floor, I don't know

Don't wanna be alone anymore

We have something measured out, I don't know

Are you real, am I dreaming...

The way you shake it to the right

And shake it to the left

Now and I would into the keep you

Dreaming like this [2x]

[x2]

Oh eh, oh eh, oh eh oh

Oh eh oh eh, oh ah
