Yeah

Broke up with my girl last night so I went to the club
(So I went to the club)
Put on a fresh white suit and a Mini Coupe sitting on
dubs
(Sitting on dubs)
I'm just looking for somebody to talk to and show me
some love
(Show me some love)
If you know what I mean, uh huh

Everybody jackin' me as soon as I stepped in the spot
(I stepped in the spot)
200 bitches and barely ain't none of them hot
(Ain't none of them hot)
Except for this pretty young thang that was workin' all
the way at the top
(All the way at the top)
Shawty what is your name?

Ooo, she made us drinks, to drink
We drunk 'em, got drunk
And then I think she thinks I'm cool
She gave me a wink, I winked back
And then I think that, we headed out something proper
like

I like the bartender
(Ooo, if you're lookin' for me)
I'm at the bar with her
(Uh huh, ok)
I like the bartender
(Yeah if you're lookin' for me)
I'm at the bar with her
(Ooo, uh huh, ok)

Got a brand new girl so I'm feeling all good inside
(All good inside)

Feel like I put some brand new 24's on a brand new
ride
(On a brand new ride)
Triple shot of Patron on the rocks with a little bit a lime
(With a little bit a lime)
I'm just keeping it real
(Uh huh)

Baby still working at the club so I'm getting in free
(So I'm getting in free)
Wednesday night I'm on the list, T-Pain plus 3
(T-Pain plus 3)
Every time I hit the spot baby girl taking care of me
(Taking care of me)
How do you think I feel?
Ooo, she made us drinks, to drink
We drunk 'em, got drunk
And now I know she thinks I'm cool
She gave me a wink, I winked back
And then I think that, we 'gon have fun at my spot
tonight

I like the bartender
(Ooo, if you're lookin' for me)
I'm at the bar with her
(Uh huh, ok)
I like the bartender
(Yeah if you're lookin' for me)
I'm at the bar with her
(Ooo, uh huh, ok)

Shorty I'm sure you heard that I really never come out
(Never come out)
Unless I'm in the M6 doing tricks freeway burnt out
(Freeway burnt out)
Got a passenger side that's empty wanting it to be your
spot
(Be your spot)
But you on my billboard, we can act like the charts I can
end up on top
(End up on top)

Don't smoke don't drink that's why I don't be by the bar
baby
(Baby)
Just lookin' at you from a distance looking like a
goddamn star baby
(Baby)
So my girl don't see me, T-Pain can I get those keys to
the car?
(Those keys to the car?)

'Bout to go and Bang Bang Boogie with my cutie and I'll
see you tomorr'
(See you tomorr')

Ooo, she made us drinks, to drink
We drunk 'em, got drunk
And now I know she thinks I'm cool
She gave me a wink, I winked back
(She thinks I'm cool, uh huh)
And then I think that we 'gon have fun at my spot
tonight
(Uh huh, oh yes)

I like the bartender
(Ooo, if you're lookin' for me)
I'm at the bar with her
(Ooo, uh huh, ok)
I like the bartender
(Yeah if you're lookin' for me)
I'm at the bar with her
(Ooo, uh huh, ok)
