Eh eh eh eh eh
Eh eh eh eh eh
Ohhhhhh...

I kno they want to come and sepparate us but they can't
do us nothin
Your the one I want and I'm a continue lovin
Couase your considered wify and I'm considered
husband
And I'm a always be thier for you
And eirther way ou look at it I ain't goin no wear for my
muffin
Cause she gonna hold it down, can't no body tell her
nothin
You got the kind of love that always make a [?] fussin
And that's what gets me closer to you
And no one knows
What I'm into you
Cause you'll never kno what it's like to walk in our shoes
And no one know, the things we've been through
Can never measure up to half of what I put you through

That's why we'll break through
And I don't care what they say
I'm gonna be with you
I'm gonna be with you
I wanna be with you
And I don't care what they
I'm gonna be with you
I'm gonna be with you
I'm gonna be with you
Seems like every day that go by things are gettin
harder
Want to be the one that give you the hole at your?
Cause I kno what my baby like, a lennar daploda
You ain't got to match with the the shoes
All about knowing you I'm into doing things to keep her
longer
Stickin with ya and foever, watch you grow up stronger
That's the way it has to be, everything problem
Keepin it always true
And no one knows

What I'm into you

Cause you'll never know what it's like to walk in our shoes
And no one know, the things we've been through
Can never measure up to half of what I put you through
That's why we'll break through
And I don't care what they say
I'm gonna be with you
I'm gonna be with you
I wanna be with you
And I don't care what they
I'm gonna be with you
I'm gonna be with you
I'm gonna be with you
You are everything in my life see the joy you bring
And ain't no one that I compare you to
And I know that you will never walk away from me no
matter what
And that's why I plan to do the same thing for you
And I want you to know
And I don't care what they say
I'm gonna be with you
I'm gonna be with you
I wanna be with you
And I don't care what they
I'm gonna be with you
I'm gonna be with you
I'm gonna be with you
And I don't care what they
I'm gonna be with you
I'm gonna be with you
I'm gonna be with you
And I don't care what they
I'm gonna be with you
I'm gonna be with you
I'm gonna be with you
