eh eh eh eh eh

ohhhhhh...

i kno they want to come
and sepporate us
but they cant do us nothin
your the one i want a
nd im a continue lovin
couase your considered wify
and im considered husband
and im a always be thier for you
and eirther way ou look at it
i aint goin no wear for my muffin
cause she gonna hold it down,
cant no body tell her nothin
you got the kind of love
that always make a ????? fussin
and thats what gets me
closer to you
and no one knows
what im into you
cause you'll never kno
what its like
to walk in our shoes
and no one know, t
he things we've been through
can never measure up to half
of what i put you through

thats why
we'll break through
and i dont care
what they say
im gonna be with you
im gonna be with you
i wanna be with you
and i dont care
what they
im gonna be with you
im gonna be with you
im gonna be with you

seems like every day
that go by things
are gettin harder
want to be the one
that give you
the hole at your ????
cause i kno
what my baby like,
a lennar daploda
you aint got to match
with the the shoes
all about knowing you
im into doing things
to keep her longer
stickin with ya and foever,
watch you grow up stronger
thats the way it has to be,
everything problem
keepin it always true
and no one knows
what im into you
cause you'll never kno
what its like
to walk in our shoes
and no one know,
the things we've been through
can never measure up to half
of what i put you through
thats why we'll break through
and i dont care what they say
im gonna be with you
im gonna be with you
i wanna be with you
and i dont care what they
im gonna be with you
im gonna be with you
im gonna be with you
you are everything in my life
see the joy you bring
and aint no one
that i compare you to
and i know that you
will never walk away
from me no matter what
and thats why i plan to do
the same thing for you
and i want you to kno
and i dont care what they say
im gonna be with you
im gonna be with you
i wanna be with you

and i dont care what they
im gonna be with you
im gonna be with you
im gonna be with you
and i dont care what they
im gonna be with you
im gonna be with you
im gonna be with you
and i dont care what they
im gonna be with you
im gonna be with you
im gonna be with you
