Hide from ya high heel game  
High heels push up ya ass last name  
And you livin' in the fast lane eyes like and

Goddess watch my girl and now she  
address  
Spotless atlas bad to the bone make

Lames don't know how  
to talk to you  
So let me  
walk with you, hold my hand  
Ima spend them  
grands when after you

Not like a hooker but more like a
