The way that you walkin,  
The way that you talkin  
You're the one  
I want to spend the night with  
Tryna get in them draws  
And bang it out til the morning  
I can already tell you want it  
Cause you shakin it all for me,  
Givin it all to me  
Rubbin that body on me  
Keep on shakin it all for me,  
Givin it all to me  
Rubbin that body on me
