[Daddy Yankee]

Cartel

Big Boss

Las palabras advertidas en esta canciÃ³n

No se solidarizan con ningÃºn cobarde {cobarde} en la calle

Pero sÃ© con El Cartel RÃ©cords

Daddy Yankee, Akon y todos los afiliados mundialmente.

[Chorus Akon]

I got my heat; I got my balls

and enough heart to break all y'all's jaws.

But I rather round my nigga from Puerto Rico to help me out with this war

Now bring it on

Now bring it on

Now bring it on

Now bring it on

[Daddy Yankee]

Oye estas bregando con los anormales

Somos, de los juguetes espaciales

Ya no le temo ni a los tribunales

Este quien van amedrentar con los metales, boy.

Me pone Daddy Yankee man

Ponte las pilas se tienes guille de Superman

Que rumba el cielo te puedo pone a volar

En guerra avisada coquiera todavÃ­a muere gente porque

I got my ----- up in fire

You better get out of my way b/c a rider

At any time in the morning or in the evening

Im letting u splurge till you retire.

Lets go, nosotros estamos dispuesto

En esto nosotros somos expertos

B/c we are doing this everyday...

In the ghetto which is part of the game we play

[Chorus Akon]

I got my heat; I got my block
and enough Heart to break all y'all's jaws.
But I rather round my nigga from Puerto Rico
to help me out with this war
Now bring it on
Now bring it on
Now bring it on
Now bring it on

[Daddy Yankee]
Que carajos tu me vas hacer? si yo sÃ© que a ti te
pariÃ³ la fecas
Pon las balas donde tÃ© pones tus palabras
Vamos a ver de que tu estas echa muÃ±eca
(I am not gangster) otro maleante de cartÃ³n
(I smell a Wangsta) Tu eres tremendo bobolon, pa.
Fuck my English, tambien my broken Spanish
The sound of the gun is a universal language cuz

I got my people and gun up in fire
You better get out of my way b/c a rider
At any time in the morning or in the evening
I'm letting u splurge till you retire.
Lets go, nosotros estamos dispuesto
En esto nosotros somos expertos
B/c we are doing this everyday...
In the ghetto which is part of the game we play

[Chorus Akon]
I got my heat; I got my balls
and enough Heart to break all y'all's jaws.
But I rather round my nigga from Puerto Rico
to help me out with this war
Now bring it on
Now bring it on
Now bring it on
Now bring it on

I got my heat; I got my block
and enough heart to break all y'all's jaws.
But I rather round my nigga from Puerto Rico
to help me out with this war
Now bring it on
Now bring it on
Now bring it on
Now bring it on

[Daddy Yankee]
Estamos listos para lo que sea y pa lo que venga
We are ready man Don't get it fucking twisted
We can get a ticket and we can fly up there

and give you a visit in the cold and we can turn it into
heat
No te equiboques
Eso es bien facil pa nosotros.
