Standing around outside the club.  
Wishing everyone knew here it was.  
But that days soon come.  
Static trying get some love  
No one cares when you ain't got none  
When you getting day all gone.  
Dose say you wont make it.  
Judging from your past  
They still say that you wont nothing  
You was race way to fast.

You wouldn't say you can't take it.  
You success one last.  
But let me tell you something, yeah.

Don't you believe it.  
Cause that's just the way is.  
We don't change that's tonight.  
Something never change.  
We don't change that's tonight.  
Cause that's just the way is.  
We don't change that's tonight.

Never thought you lie.  
Like I do tonight.  
I thought that feelings in my heart  
That is not gonna change.  
Up and kiss those lies  
And still we over night.  
I thought that feelings in my heart  
That is not gonna change in tonight!

So toast it up toast it up.  
If you got that baby that's is all gonna change.  
In tonight.  
So toast it up toast it up.  
If you got that baby that's is all gonna change.

Just say  
Ooooooohhhhhhhhhhhhhhh  
X 4

Later a girl who want's some love  
Never thought she be alone.  
But that day soon come.  
A boyfriend left her for none  
Now she's pregnant with his son.  
And she ain't only one  
Going through of time another city night  
We been solo body took keep home the light

Searching for that love  
Her daddy didn't profi  
She found a pampin he's that guy  
Smack the roat up until she wont make it  
Judging for her past  
Told her that's she was nothing  
She was race way to fast.  
Even she say she can't take it  
Let her success one last  
But let me tell you something, yeah.

Don't you believe it.  
Cause that's just the way is.  
We don't change that's tonight.  
Something never change.  
We don't change that's tonight.  
Cause that's just the way is.  
We don't change that's tonight.

Never tought you lie.  
Like I do tonight.  
I tought that feelings in my heart that  
Is not gonna change.

And still we over night.
