I'm like a bird
And I aim so high
In my lear lookin'
At the blue sky
Can't let
Another day pass
By without doin'
What I feel inside
Cuz
It's embedded
In my soul
Day I stop
Will be the day
I turn cold
Let you know
I'm breaking
Outta that hole
And let go
So I can be free
To do
What means
Most to me
And you can
Look back one day
And know
I shared
With you my kid
I hope you
Wouldn't think
I'd just leave
Pack up and roll up
My sleeve
Give it all up
And leave
With nothing
And take with me all
I got to give
That's why

Chorus: (2x)
I just wanna
Make you clap again

Clap again
I just wanna
Make you clap again
Clap again

So if your life
Is twisted
And ain't going right
Just forget
About it tonight
I just wanna
Make you happy, baby
Dancing
And clap dancing
And clapping
Cuz we plan to be here
'Till the morning light
Can you feel
The change in your life
Feelin' like magic baby
I'm the one
To make it happen
Baby
So I can be free
To do
What's meant to be and
You look back one day
And know
I shared
With you my gift
You wouldn't think
I'd just leave
Just back up
And roll up my sleeve
Give it all up
And leave with nothing
And take with me
All I got to give

Chorus: (3x)
I just wanna
Make you clap again
Clap again
I just wanna
Make you clap again
Clap again
Clap, clap
