(feat. Akon)

[Intro: Dj Khaled]

We the best

We global

We the greatest

Let's go

Ayo joc got us

Akon

Konvict music

This is? live

[Chorus: Akon]

Watch yourself or get tookout

This world ain't safe

Anyday this might be your last day

As a cocaine cowboy (cowboy)

As a cocaine cowboy (cowboy)

And the cops on the lookout

Each n every day

Workin with dem snitches

Endin' up another raid

On a cocaine cowboy (cowboy)

On a cocaine cowboy (cowboy)

On a cocaine cowboy (cowboy)

[Verse 1: Akon]

Some stone cold killers

With a pocket full of triggers

Here to terrorize your town boy

Considered to be the realist

Of all the other dealers

He's a cocaine cowboy

See they causin' a lot of havic

In movin a lot of traffic

From the white to the brown boy

N they willin' to get down

Put you up in the crown

Where you can't be found boy

Just so you know they will
Connect that n they won't be disrespected
Movin things by the pound boy
So if you want it you get get it
Just be heading south bound n

[Chorus: Akon]

Watch yourself or get tookout
This world ain't safe
Anyday this might be your last day

See em creepin round your way
Steady spreadin it around boy

For his share boats rockin by
The docks filled with hundred
Dollar bills bout to be there
Livin right across the water to
His place straight to a cowboy
N unload it on the spot
Pay a couple? just to watch
? keep it movin cause they
Ain't got time on the clock
All it takes is one fuck up
Somebody gets popped
