Ohh babe, can I take you home tonight?
So we can do all the freakin' things you like
And we can turn off all the lights
Just goin' down tonight oh, oh, oh

You like, you like, you like, oh, oh, oh
You like, you like, you like, oh, oh, oh
And we can turn off the lights
Just goin' down tonight

The way she's standing like her magic
Makes a play with lovers
She know she has it 'cause she's laughing
But I'm jumping on it

I see my homies looking at me like
They never saw me but I'm just for a time
To come and put it on me
We can party at the sea is gettin' hottie

Mami use hottie with your body like nobody
Mami you like the effect I keep it gangsta
I got it puy somebody in your squema
And you like it you can have it mami

So come on, babe
Want you stay tonight
(Tonight)
I got players that I know you like
We can on the way you like
Is like having you
(Oh, oh, oh)

Ohh babe, can I take you home tonight?
So we can do all the freakin' things you like
And we can turn off all the lights
Just goin' down tonight oh, oh, oh

You like, you like, you like, oh, oh, oh
You like, you like, you like, oh, oh, oh
And we can turn off the lights
Just goin' down tonight

I wanna take you so we can be alone
And we can get on and went to the breakdown
And no mistakin' when you kickin'
Like a pole, babe, no means to waist it
When I'm tastin' in your body, babe

I'm just a Texas boy, Texas wait a tex man
We keep it playing, keep it jado
Yeah, that's what we're sayin'
And proud a chanca, proud a homes
With your money mounts

So come on, babe
Want you stay tonight
(Tonight)
I got players that I know you like
We can on the way you like
Is like having you
(Oh, oh, oh)

Ohh babe, can I take you home tonight?
So we can do all the freakin' things you like
And we can turn off all the lights
Just goin' down tonight oh, oh, oh

You like, you like, you like, oh, oh, oh
You like, you like, you like, oh, oh, oh
And we can turn off the lights
Just goin' down tonight
