A dark whiny room  
Running down with my had gone  
And its' so cold  
Hide behind the ..station  
I can feel blood hands sniffing and getting closer  
I need to leave town 'cause i just shot down an officer

Chorus:

I'm victim i wanted  
Two strikes and this will make three  
They beat me down like ..  
A victim of brutality it was soft defense, soft defense  
All i know is that i'm innocent  
Is a conspiracy

No time to waste  
I'm runnin from incarceration  
Get out my way 'cause i'm not going back to prison  
They make me a long long  
the moment when they stash that .. in my car  
didn't do nothing illegal  
but I've been set up to be the one to take the fall

Chorus:

I'm victim i wanted  
Two strikes and this will make three  
They beat me down like ..  
A victim of brutality it was soft defense, soft defense  
All i know is that i'm innocent  
Is a conspiracy

Just another routine stop 'cause i was speed it  
Thought they just give me a ticket and i'll believe it  
Little that i know i was a part of a big ..  
Drug deal august ..straight about ..  
Why so many other, in one spot  
Something isn't right, no is just not  
But before i could figure out what was going on  
I was on the ground getting beat up and stump on  
I'm half day, i'm half day  
What did i do to deserve this  
I must escape before they kill a nigga

I'd rather gone from this host and pull a trigger

[Chorus:]
