You will be missed by all your fans,
I clench my fists cause it's so hard to respect,
If I had the power to change one thing
It'd bring you back to me,
But life's not promised and that won't change,
I'm a meet you there some day

In this lifetime

I wanna thank you for showin' me the man in the mirror In this lifetime

I wanna thank you, you motivated the whole world to deliver

We cry out of joy

You're so much more then a heart

Oh I wish the world could see you the way I did,
And I wish they witnessed how wonderful a dad you
were to all your kids
And I noticed it didn't stop there
Saving children was one of your goals
Just donating all of your millions
So they could one day rule the world

In this lifetime

I wanna thank you for showin' me the man in the mirror In this lifetime

I wanna thank you, you motivated the whole world to deliver

We cry out of joy

We cry out of joy You're so much more then a heart

One word for the media Please help the people see the love Stop this garbage you're feeding us Show him for who he really was

Remember there was more to come Remember he's the chosen one Remember him for wars he's won Remember him for what he's done

In this lifetime

I wanna thank you for showin' me the man in the mirror In this lifetime

I wanna thank you, you motivated the whole world to deliver

We cry out of joy

You're so much more then a heart

SPOKEN:

Rest in peace and harmony Michael I love you man
